

THE BEST CARE STARTS WITH A HEALTHY BUSINESS

Get Paid More, Faster

Clean claims & persistent follow up = high collection rates & fewer lost or denied claims

Personalized Customer Service

Dedicated account representative, proactive billing management, comprehensive reporting & regular reviews

Flexible Software Platform

State-of-the-art EMR and PM software package or work with existing client systems

AcuityPDQ provides full-service Revenue Cycle Management solutions, which yields better and faster results that improve your practice's financial performance.

- Billing and Claims Management, Coding, Performance Reporting, Credentialing, and Consulting Services
- Extensive experience with Commercial Payors, Medicare, Medicaid and PI/WC/MVA
- Clean claims submission within 24 to 48 hours
- Commercial claims typically paid in 7 to 18 days
- Dedicated account representative who is intimately familiar with your practice
- Detailed and actionable performance reporting, trend analysis and reviews — always know how your practice performs
- Strategic planning, contract review, documentation and HIPAA compliance
- Flexible billing systems — use our EMR and PM software platform or your existing system
- 100% U.S. based

Our clients commonly report:

- 95 to 99% net collections
- 95%+ of claims accepted on first submission
- Less than 2% claims denials
- 10 to 15% increase in revenue
- 20%+ increase in patient payment collections
- Less than 15% in 60+ days accounts receivable

AcuityPDQ is specialized in revenue cycle management services for solo and group practices. We have extensive experience in claims submission and collections with Commercial Payors, Managed Care, Medicaid, Medicare, and Personal Injury, Workers' Compensation and Motor Vehicle Accidents. We manage all aspects of the revenue cycle process including credentialing, claims review and submission, payment posting, denial follow-up and appeals, contract review, utilization management and consulting services. AcuityPDQ will work with you and your team to tailor a solution that best suits the needs of your practice.

With AcuityPDQ, you will see an increase in revenue, improvement in collections and profitability, gain increased insight into financial and operational performance, and enable your practice to deliver the highest level of patient care.
